Maruti Suzuki India Limited reserves the right to change, without notice, price, colours, equipment specifications, and models and also to discontinue models and/or replace any part or accessory with any product. Accessories and features shown in the pictures may not be part of standard equipment and will differ according to the variants. Image used are for illustration purposes only. \*The speed alert system gives audible warning for alert of over-speed to driver. When vehicle speed exceeds about 80 km/h, primary level warning with two beeps will sound every minute. When the vehicle speed exceeds about 120 km/h, secondary level warning with continuous beeps will sound. If the vehicle speed is slowed down to about 118 km/h, primary warning will resume. If the vehicle is slowed down to about 78 km/h, speed alert warning will stop. This buzzer does not indicate any malfunction in vehicle. \*\*Spare wheel material is steel (For all variants). \*VDA method. \*\*For details on functioning of safety features, including air bag, kindly refer to the Owner's Manual. Car colour may vary due to printing on paper.
